People, Passion, Performance:
Applying learning for better healthcare

Gold sponsor

hmi.ie/conference

People, Passion, Performance are at the core of effective healthcare delivery. Their point of intersection brings a powerful synergy to the delivery of services and are the theme of our annual conference. The conference will focus on how we can learn from all of our experiences, both positive and negative, to develop our ability as managers to enable the delivery of appropriate 21st century healthcare.

Who should attend?

Senior and high level managers and other key stakeholders in the Irish health service; Chief Executives, members of Hospital Boards, Clinical Directors, Directors of Nursing and Heads of Services. Policy makers, educators, services users and other stakeholders will also learn from our contributors and peers.

What to expect

- Outstanding speakers
- Panel discussions
- Opportunities to interact with speakers
- Chance to reconnect with colleagues, peers and others
- Great venue with easy access
- Certificate of Attendance for CPD purposes
